Subject: RE: Arkema Project Area Presentation - D/F Figures  
Attachments: [In-Water Remedial Investigationx2x.pdf](#)

---

Thank you! I just tried sending you the groundwater discharge presentation, but I got quite a few bounce backs due to file size. I resaved as a pdf and am hoping it comes through.

The evaluation was conducted for a site near St. Helens. The author, Henning who is copied on this e-mail, indicated he is happy to respond to any questions directly.

Madi

Hi Madi,

Attached are the dioxin/furan sampling figures we presented yesterday. Please let us know if you have any questions. Thanks!
